LTW-27/LTW-27B/LTW-27BK/LTW-27BM

**High Speed, Two Needle,
Needle & Lower Feed, Lockstitch Machine,
Horizontal Rotary Hook,
Automatic Lubrication System**

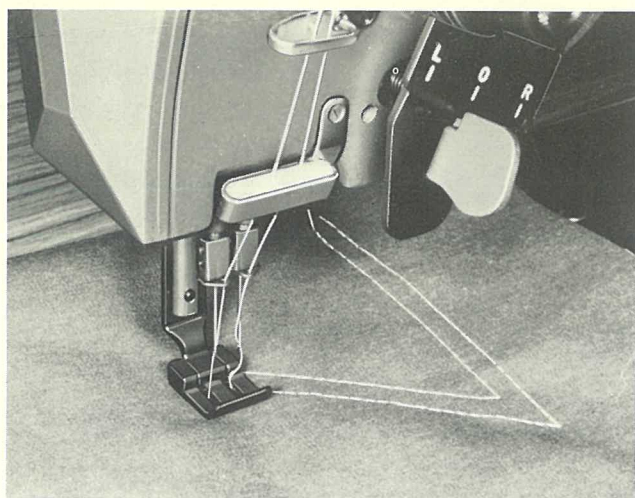

LTW-27B
Two needle,
needle & lower feed,
reverse feed.

WITH

Reverse Feed : LTW-27B/LTW-27BK/LTW-27BM
Angular Stitch : LTW-27BK
Center Trimmer : LTW-27BM

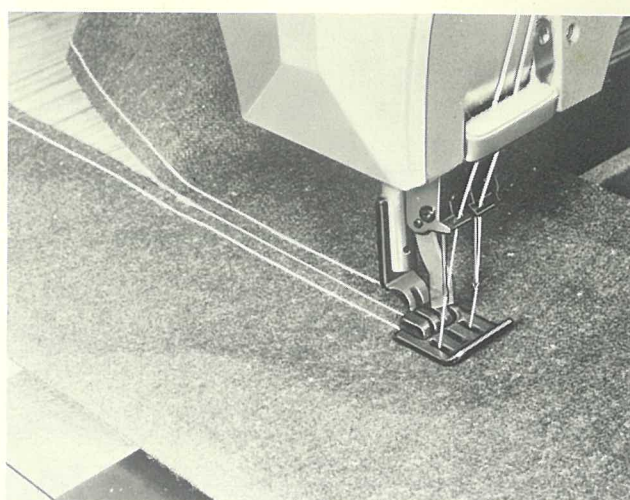

LTW-27BK

Angular stitch, reverse feed.

- This model performs accurate angular stitch by the simplified lever.

LTW-27BM

Sewing and Trimming.

- This two needle model sews and trims simultaneously. Thus, you can save double manufacturing process of sewing and trimming. Especially, suitable for welt pocket, etc.

◆ Main Features

- LTW-27** : Two needle, needle & lower feed.
- LTW-27B** : Two needle, needle & lower feed, reverse feed.
- LTW-27BK** : Two needle, needle & lower feed, reverse feed, with angular stitch.
- LTW-27BM** : Two needle, needle & lower feed, reverse feed, with trimmer.
- Perfect movement synchronized needle feed and lower feed makes a beautiful stitching more than 2 plies of materials, eliminating slippage and gathering.
- Installed accurate reverse feed levers.
- Equipped with bobbin case installed prevention device of thread slackening. Thus, this model makes sharp and accurate angular stitch. (Pat. 1328473)
- Single, double welt pocket, with or without flap can be performed by changing attachments.

* LTW models with Cloth Puller are available.

■ Use

- LTW-27 ● 27B** Womens' under wears, overalls, leather-coats, rain-coats, sport-shoes, etc.
- LTW-27BK** Angular & ornamental stitches for rain-coats, leather coats, suits in general, overalls, etc.
- LTW-27BM** Welt pocket, fastener, etc.
